"It's back!"

Back row: Mike Kiernan, Anne Wong, Eliane Kwan, Lacy Swizter, Emily Lamb, Miss. Van Heteren **Front row:** Mrs. O'Grady, Linda Kum, Shailoo Bedi.

This has been a year of challenge. At the beginning of the year we had fun playing musical classrooms. Towards the end, close to deadline, everything that could go wrong, did. But, we managed to pull through with this great annual. As we worked we began to realize how hard it is to capture the real spirit of Vic High. The spirit of many different people and many different personalities. Now that its over, we all wonder whether we'll ever attempt creating another year book

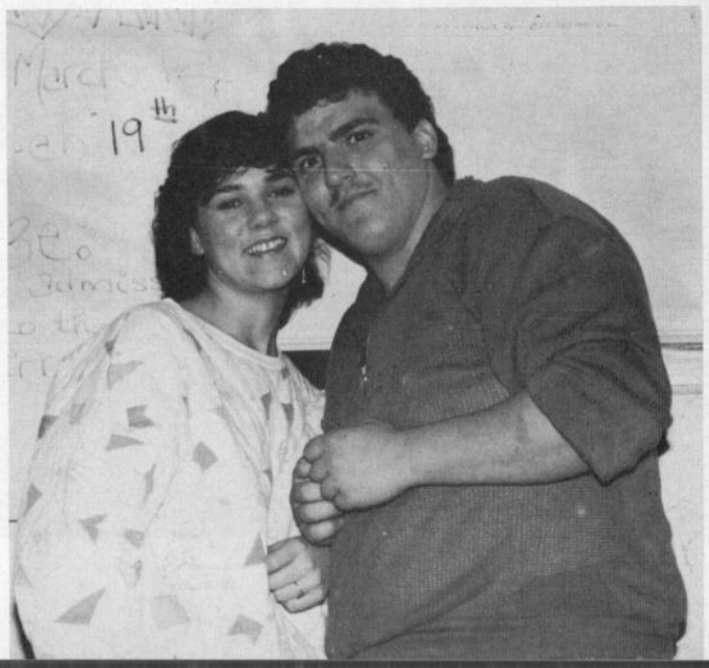
We would like to thank everyone who has put in long hours finishing this yearbook. Thanks especially to Mr. Bowes and Mr. Chan for all their help with the photographers. Also thanks to Miss Van Heteren and Mrs. O'Grady for helping and working with the yearbook staff. Last, but definitely not least, a big round of applause for the dedicated, hard working, wonderful people who made up the staff of this years Camosun.

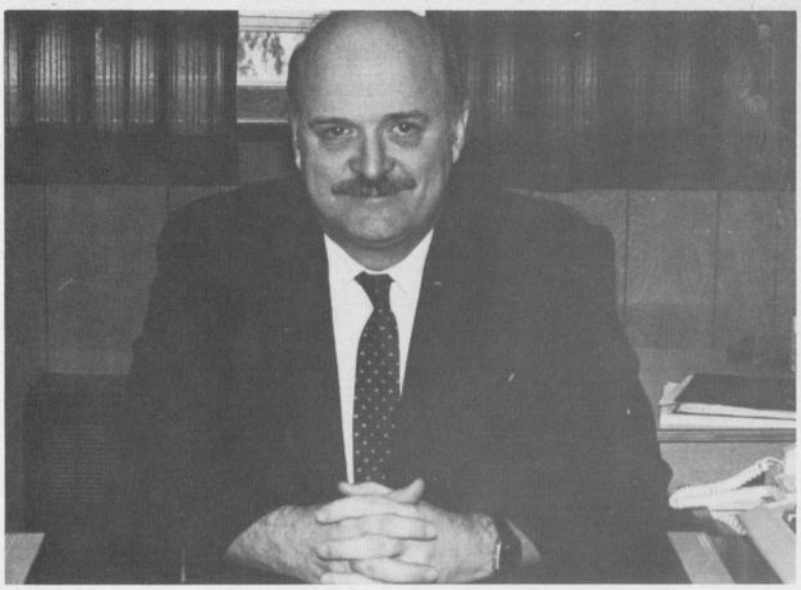
Team TERRIFIC

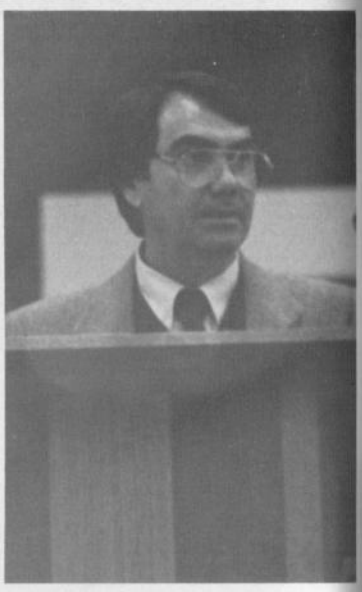
STUDENTS COUNCIL

Although we had a late start this year, the Students' Council acomplished many exciting things. The spirit week included; Hat, Tie and Shades day, Beach day, Backwards day, a pep ralley, and the Battle of the Sexes was very seccessful. The Council also organised air bands, several dances, computer dating and candy grams. This year Vic High hosted the inter city students' council conference.

Sponsers- Mr. Dilay, Mrs. Costain, Mr. Gerard
Presidents- Cynthis Lee and Jenni Switzer.
Executives- Alicia Bloom, Lacy Switzer, Jorma Ortan, Rachel Denby, Debbie Leadbetter, Ruth Manhire and Michelle Butkus.







Dear Students:

To all the students who have helped make this such a fine year at Vic High, "Thank You!". The wide diversity of cultures, races, interests, and backgrounds successfully combined with a School with a unique history make Vic High a School we have all been pround to be a part of.

Very special thanks go to the hard-working Annual Staff who have recorded this year in this fine album.

My very best wishes go to this year's grads. I hope that that your years at Vic High have helped prepare you for meeting the demands of the future. The whole teaching staff of Vic High joins in wishing you, the very best.

D. Watkins,
Principal

The theme of this year's Camosun is "The Spirit is Back". In leafing through its pages, one will see fine examples of this theme--the achievements of our volleyball, badminton and rowing teams; the enthusiastic participation of students in our many clubs; the Air Band Contest; the Hallowe'en dance; intramural floor hockey; noon hour doughnuts and hotdogs to name just a few. The grads will carry many memories of the good times they shared at Vic High and we wish them a successful and happy future. To those students returning "Keep the Spirit" going in the years to come.

Val Egan

I appreciate the opportunity to reflect on this year at Vic High. I think the school is an amazing Kaliedoscope... so much energy... so many things happening... so much diversity. It's no wonder the Vic High spirit is so strong.

At the heart of the school are the friendly people. Individuals from all races, creeds and colour add their uniqueness to the distinctive character of Vic High. This variety of peoples creates the enthusiasm that makes the school so great to be a part of.

Remember Grads, take your enthusiasm with you when you leave the school; it will serve you well in life.

Best wishes to you all in the future.

TRICK OR TREAT

The first main event of the 86/87 school year was the Halloween Dance.

Students really "dressed up" for the occasion.

The day before the dance the Student's Council held a pumpkin carving contest. Each division selected a team of pumpkin carvers. The finished products were then entered into a "beauty contest" in the main foyer. The winning pumpkin came from Division 24....a choice not well accepted by the other divisions!

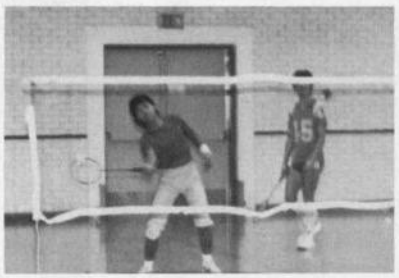
BACK: Mr. Denby (coach), Chris Fairfield, Jason Patenaude, Stan Chojnacki, Chris Lammie.

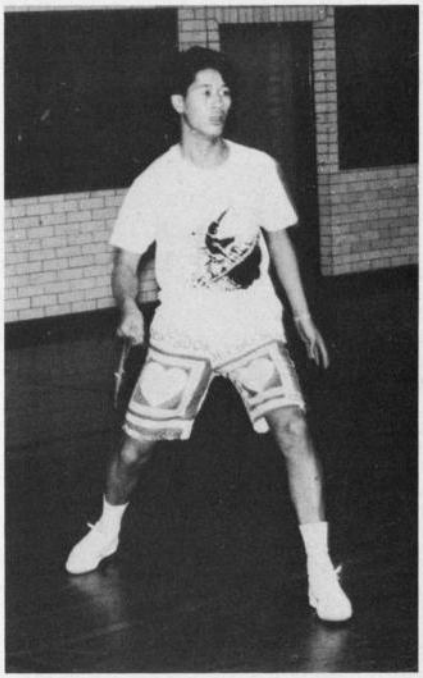
2ND: Chris Willie, Fernando Ortega, Loc Lui, Aaron Rumsby, Daron Dick, Ron Pearlstrom.

FRONT: Ken Douglas, Long Lee, Lui Vu, Rob Marshall, John Webber, Paul Sousa.

This season the Tyees had many good ball players, but unfortunately they were not all able to play at the same time. The highlight of the year was a win over the fourth place team by a score of four to one. Good luck next year Tyees!!!

WATCH THE BIRDY





The Badminton Team had an exceptional year. They were undefeated in league play and were first of 9 teams. In the playoffs, the team lost a very close match to St. Michael's, 6 to 5, and were forced to travel to Campbell River to compete with the 2nd place North Island team for a berth in the B.C. Badminton Finals. This match was close but with some fine play by the boy's doubles team, we were triumphant.

In the B.C. Finals, the team placed 6th in the province the best showing a Vic High Badminton since 1981. The girls on the team were our main strength and contributed many fine games. James Ahn was not only an inspiration on the courts with his fine play but his dedication and leadership were indispensable. Vicki Lee remains one of the finest ladies singles player in the province. Players graduating this year are Ben Li, Ken Douglas, Edmund Cheung, Surinder Basi, Quyen Ly, Vicki Lee, Julie Chan and they will be missed.

BACK: Ken Douglas, James Ahn, Dennis Canilo, John Au, Rafer Strandlund, Ben Li, Steven Chan.

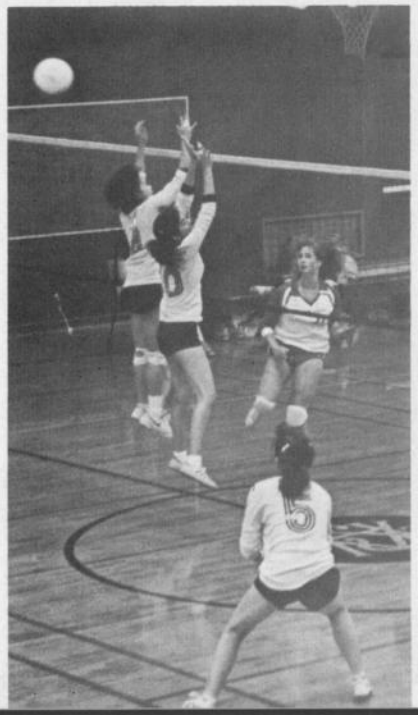
VICTORY IS BACK

BACK: Ms. Blackstock (coach), Eliane Kwan, Crystal Cook, Surinder Basi.
FRONT: Norma Smith, Khanlinh Jaing, Vicky Lee, Laura Quan.

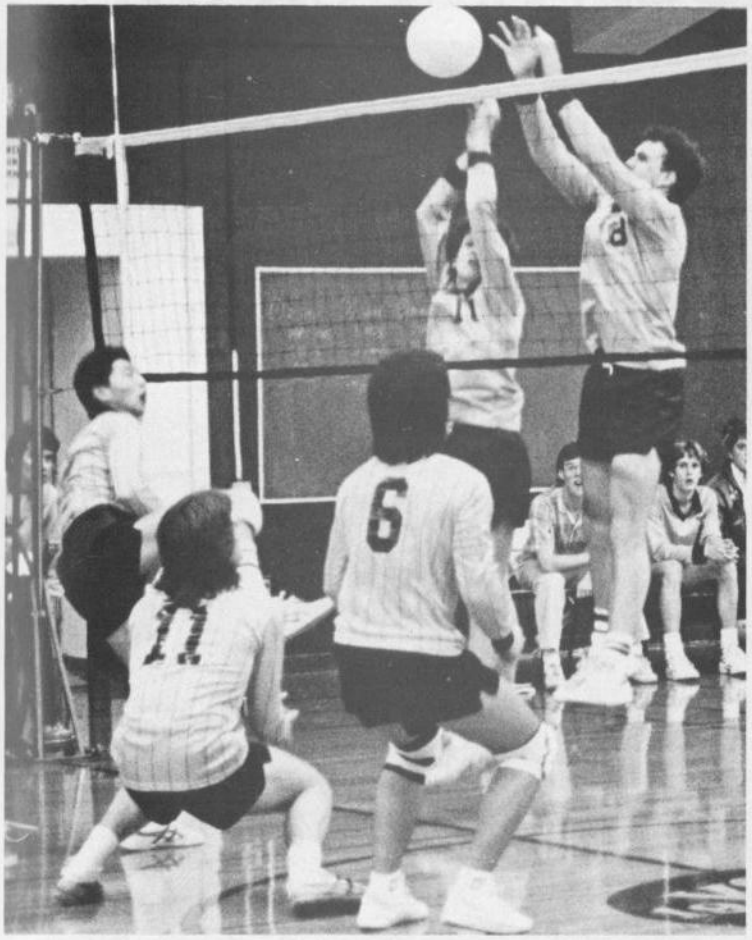
We can all be proud of our Tiki Volleyball Team! While few in number, the girls showed a high level of courage, determination and skill. In the end, our Tikis had won the League Championship and followed that up with the Lower Island Championship. At the Island Tournament our Team of seven rather small athletes played hard and enthusiastically through nine matches, with seven wins against two losses. The dream of going to the B.C.'s was realized!

At the B. C. Championships, our Team played for three long days against the best teams in the Province, all with players over six feet tall!

When the smoke cleared our Tikis finished fifth out of sixteen teams with an excellent record of seven wins and three losses, and the Most Sportsmanlike Team Trophy. This was the most special of all the awards that were won. All in all, a championship season.



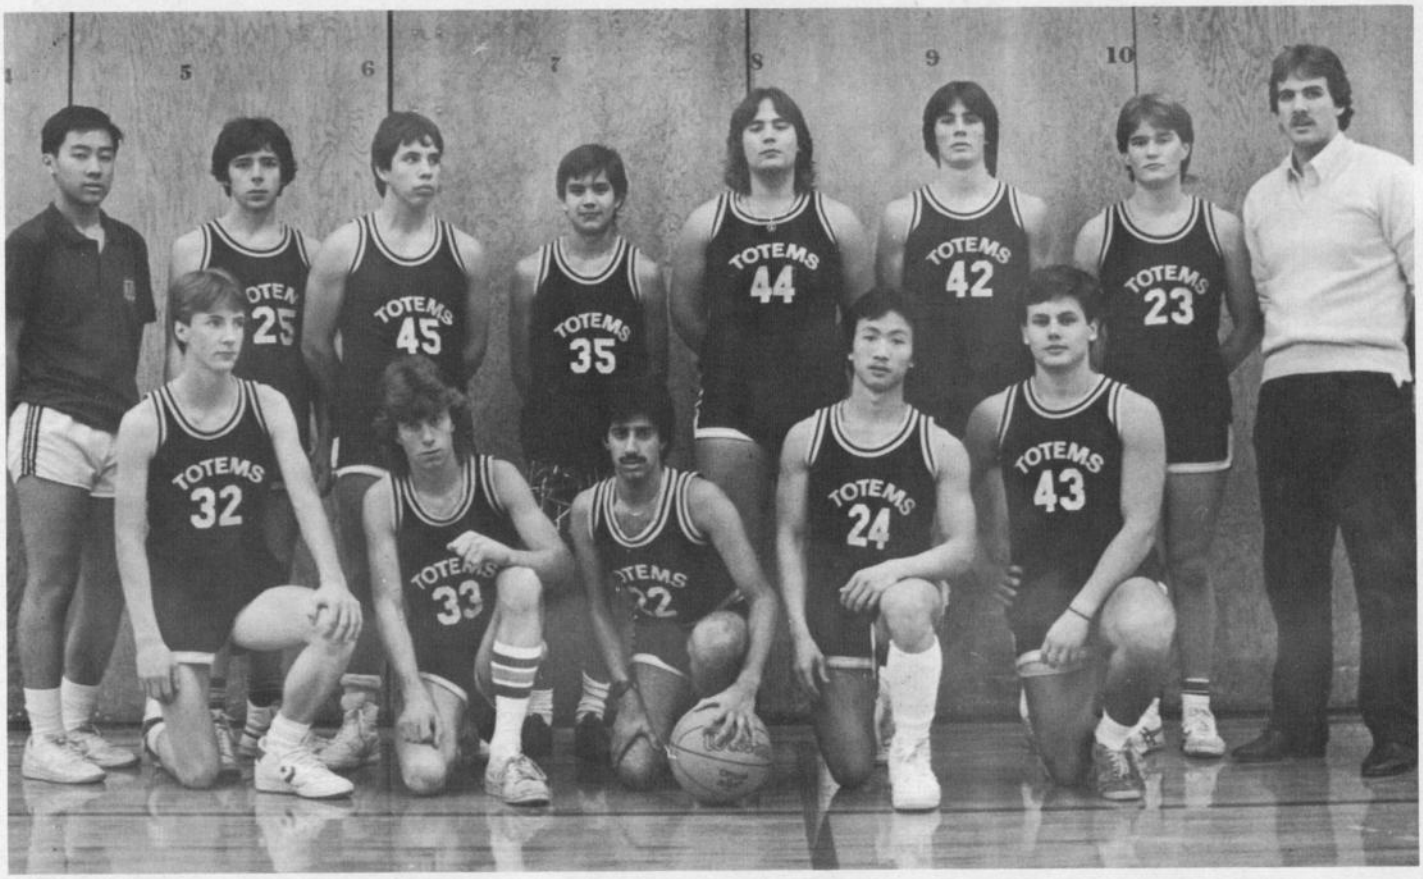
TASQUATCH SIGHTINGS



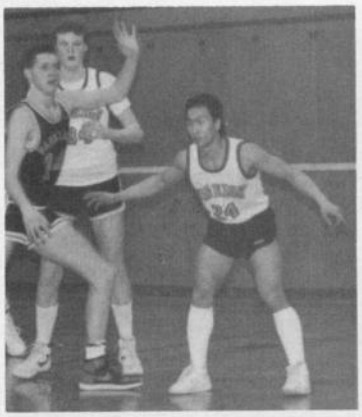
After surviving many long, and gruling practices the boys finished second all around including the Lower Island Championships, Vic High Invitational and the U-Vic Police Tournement. As well, in their final competition for the Island Championships the boys came in fifth place. They were a grade eleven team so most will be back to play next season.

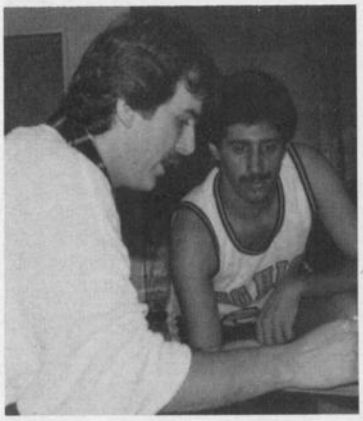
BACK: Mrs. Bourne (coach), Bill Reed, James Ahn, Graham Seto, Ken Douglas, Les Wilson, Baljinder Johal.
FRONT: Ken Yu, Shawn Granger, Kinh Dinh, Steven Chan. Lacy, Lori, Michelle (managers).

THE TOTEM TRIBE

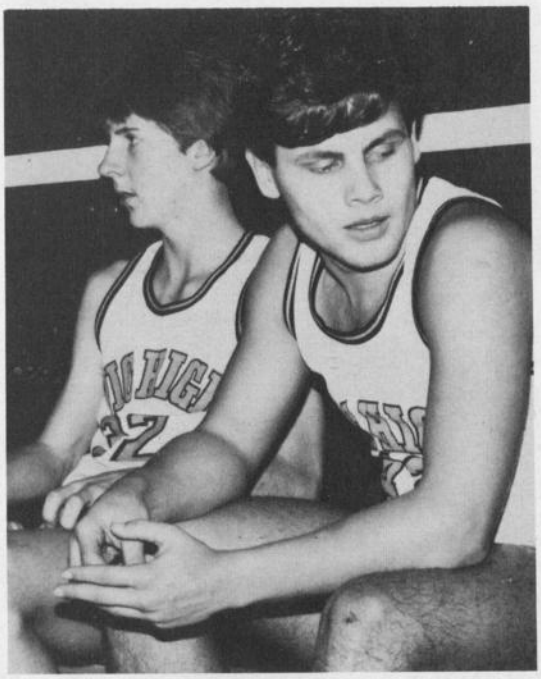


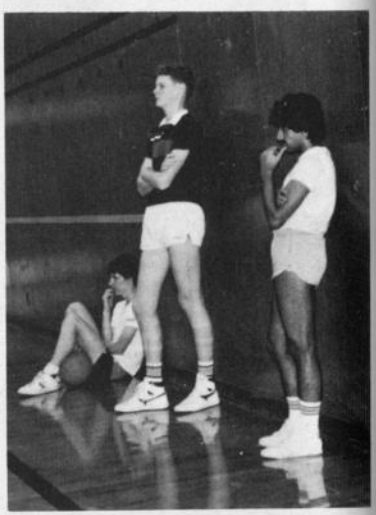
BACK ROW: Edmund Cheung, Darby Mahan, Chris Willie, Darren Dick, Rick Duff, Greg Pretula, Les Wilson, and Mr. Christianson. FRONT ROW: Ken Douglas, Andy Golin, Devin Dheensaw, Kinh Dinh, and Roy Jenkins. MISSING: Graham Seto and Jim McAdam.





1986-87 was a very difficult year for the Totems. The Totems competed in the AA boy's league this year which boasted three of the top ten in B.C. school teams. Although the odds were consistantly against the team, they played every game with determination and pride. The Totems placed second in Vic High's Centenial Tournament, and fourth in the William's Lake Tournement. Congratulations to those boys who stuck it out





TIGERS LEAVE THEIR DEN

The girls had several exciting games this year, particularly their win over Oak Bay. They managed to get through the season with the few players they had and hope to recruit more players next year. The team inproved greatly over the season and most of all had a great time.

BACK: Ms. Van Heteren (manager), Kelly Diotte, Tania Dick, Norma Smith, Lacy Switzer, Mr. Sing (coach).
FRONT: Cindy Lee, Diane Dick, Crystal Cook.

ROW ROW ROW YOUR BOAT

BACK: Mr. Twohig (coach), Morgan MacArdle, Aaron Rod, Chris Hinrichs, Jason Palmer, Alison Booth, Jonathon Ruhl, Emily Lamb, Ms. Lavallie (coach).

2ND: Alicia Bloom, Keith Boschma, Julie Stevens.

FRONT: Shailoo Bedi, Laurie Tomandl, Hans Murray, Deidra Kelly.

On February 2, 1987 the Victoria High School Crew began their first on-water training session after four months of land-based fitness training. This year's crew involving both Vic High and grade 10 students from Central Junior will race in eight oared and double oared shells. The enthusiasm and dedication of this first crew have set a tone for what promises to be the beginning of a new sporting era in Vic High.

CLUBS AND COMMITTEES

FOR THE INTELLECTUALS

Club President: Bill Nance
Club Sponsor: Mr. Chell

Club members frequently met on Friday afternoons for challenges over the chess board. Many exciting games were played. The club expects to enter a team of four in inter-school competition in March.

HONOR CHOIR

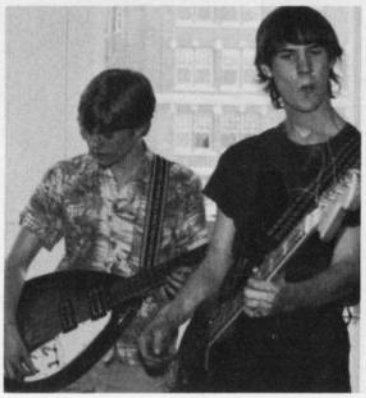
2ND: Melanie Archer, Bud Ward, Mark Gilliland, Shannon Hollingsworth.

FRONT: April Bially, Laura Beaveridge, John Medeiros, Jennifer Ritchie, Laurie Tomandl.

BACK: Sara-Lynn Layton, Michelle Butkus, Royal Johnson, Matt Malcom, Jason Palmer, Rachel Denby, Amy Guraly.

The Honour Choir was started, for the first time ever at Vic High, by audition only. As a result the quality of singing was extremely high. The Vic High Honour Choir participated in several concerts, a music video, and a trip.

MUSIC CLUB



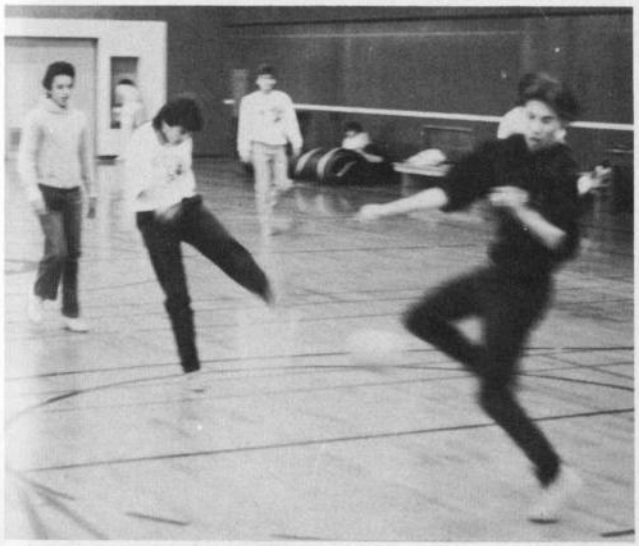
BACK: Hal Hewitt, Ian Hunt, David Dahlberg
FRONT: Jorma Orton, Laurie Tomandl.

Not merely, though basically ultra casual, the music club got its 'act' together for one scheduled event: the hot-dog'n' pop Junior tour of Fairey Tech. Our usual preserves were, to be sure, enjoyed immensely by Ted the janitor, or at least the Rowing club, who grooved to us as they ground the gravel outside.

I trust that next year will see a thriving music scene at Vic High with alternative all sorts in every niche.

its back to front excitement in the gym

When the lunch hour seemed like three hours there was always time to get rid of, by watching the many noon hour activites in the gym. Indoor soccer, intermural floor hockey and basketball were of the games played. This years floor hockey champs were the JETS. Games were played against the teachers as well as a competative Warehouse Team.



YEARBOOK PHOTOGRAPHY

The contribution of these talented people helped bring the annual together. These people provided us with all of the photographs for this annual. We would like to thank all of them as well as Mr. Bowes.

BATTLE OF THE SEXES

In support of the Unitarian Sevice Committee the students' council put on a penny drive. As a form of fund raising,the students donated pennies into a bucket marked boys or girls on either side of a scale. At the end of the week the scale was leaning towards the boys side. They proved their generosity.

RICK HANSEN

The Rick Hansen Committee has led a short but very active life at Vic High. The members have equally shared the responsibilities of fund raising and awareness compaigns and have left a very positive impression upon everyone. The group planned a workshop afternoon for other schools in the area, completed a Vic High Sweatshirt fund raising event, organized a Wheelchair Fun Olympics event for the school and were responsible for the Milk Run. This group have to be applauded for their enthusiasm , hard work and contribution to school spirit.

PEER COUNSELLORS

PEER COUNSELLING

"Students helping students"- that is the credo of the peer counselling program. First introduced to Vic High in September,1986, the peer counselling program is growing and developing as vital contribution to the spirit of Vic High.

The program offers students training and experience in the use of helping and counselling skills.

This year, we were fortunate to have 4 strong members: John Medeiros, Shelly Boyd, Michelle Butkus and Kathy Logie. We underwent the usual "growing pains" but, in retrospect, the experience has been inaluable.

The program is more than just a semester credit course- it is an experience, a support system and a team effort. We hope that the program will expand; that more interested students will apply; that the Peer Counselling program will emerge as an integral part of this school community.

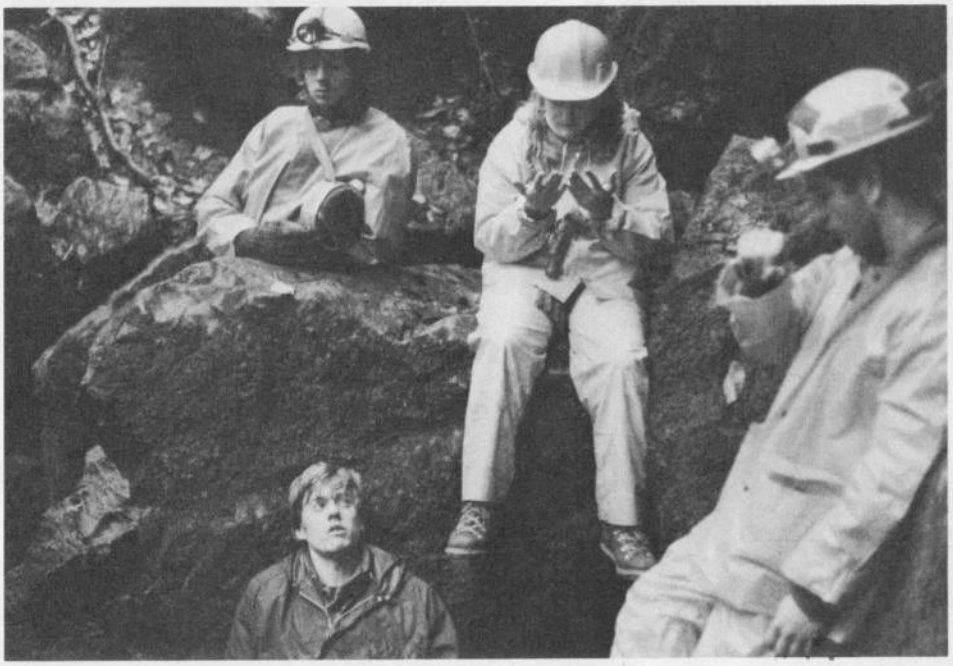
GRAD COMMITTEE

Grad Committee

The grad committee which was formed around November by Mrs. Egan includes many hard working students. These incluce Lesley-Anne Davies, Kelly Jefferies, Kelly-Marie Diotte, Della Rutherford, Kim Wenzel, Edmund Cheung, Ken Coley-Donahue and last but not least Quyen Li. This group began by selling grad T-shirts and jackets. They are now working on the ceremony and dinner and a gift for the school! They are working very hard to make this a great grad for everyone.

BACK FROM THE BUSH



Whether involved in fundraising, out in the sticks, or at a meeting, the outdoors 'club' is a comfortably informal affair bonded by an active love of less domestic pursuits.

To date, the 'club' has staged two excursions. Memories of the magical late fall Horne Lake spellunking expedition include: staking camp in the dark, latenight walks, lamplit cave crawls, steaming buns by the fire, and relaxed rowing-- adjectives miss the mark. Spontaneity best describes our second adventure: departure without destination led four of us to both ends of the trail (Westcoast) and places other. The memories linger longer than the stain of smoke on hands.

Countless thanks to Mr. Campbell, stalwart driver of the bus, and Mr. Sedgewick, original organizer and continued supporter of the 'club'. What would we have done without Mr. Sedgewick on the darkening Duncan Sunday night when the bus's alternator quit? Lastly, the use of the bus and other school equipment is greatly appreciated.

BACK TO FITNESS

We've been around for two years already and still people don't know about us! This year we've been skillfully instructed by Joanna Janaszak, an intelligent Vic High student. As the year progressed we accumulated many energetic students including Jon Aitken,Neeraj Grewal, Cynthia Lee, Paul wong and more! It's been quite the year for aerobics and we hope next year will be another great one for fitness! MEMBERS:
Kelly Jefferies, Neeraj Grewal, Christina Tang, Cynthia Lee, Dorota Pawlak, Sharon Ng, Emy Balaba, John Aitken, Joanna Jonaszak

SADD

Our purpose at Vic High is to make students aware of traffic safety and the consequences of drinking and driving. We have set up a S.A.D.D. bulletin board with Counter Attack pamphlets and information. We have also shown the film "Just Another Friday Night" to various classes in the school. We hope to make our own film that will be shown in an assembly along with guest speakers at the end of the year.

Constable Brenda Griffin, from the Victoria Police Department has come to several of our Wednesday meetings to help us get our ideas in order and plan events. We hope that students at Vic High will be helped by our efforts.
